Membership Application Form

Graduation Year: _____

Name: _____

Maiden: _____

Address: _____

Helpful hints: Use an address label rather than writing your address. Use back of the form for additional memberships. Parents joining for their children, remember to use the address you want their renewal form to be mailed. This is only a problem for new graduates of LHS as we know they may be in college and not have a permanent address.

Annual Membership Dues are \$5.00

Our membership year runs from May until May the following year. If we receive your membership dues after December, your dues will be credited to the next May to May period.

After your initial enrollment, you will receive a renewal form by regular mail each year in March, along with a reservation form for the Annual Social (banquet) held each year at the Littlestown High School the first Saturday in May. During the Social the Littlestown Alumni Association offers a great meal, and, entertainment and most years we honor a distinguished alumnus. The Annual Social is a great time for you and your classmates to get together and renew your friendships.

All membership dues received are used to perpetuate scholarships to at least one graduating senior from Littlestown High School each year. In past years we also give donations to various school clubs or associations upon board approval. Additional donations are welcome.

Number of Memberships : _____ X \$ 5.00 = \$ _____
